Re: **EX PARTE**
ET Docket No. 95-18; IB Docket 01-185; ET 00-258

Dear Ms. Dortch:

On May 21, 2002, on behalf of ICO Global Communications (Holdings) Ltd., Craig McCaw spoke by telephone with Commissioner Michael Copps. On the call Mr. McCaw emphasized the need for expeditious action in the MSS flexibility proceeding in order to proceed apace with ICO system upgrades, and highlighted the critical role of MSS in delivery of broadband services, particularly in rural and unserved areas. ICO also stressed that MSS would be rendered infeasible if independent terrestrial providers are allowed to operate in MSS spectrum.

In accordance with section 1.1206(b) of the Commission's rules, I am submitting an electronic copy of this letter. If you have any questions concerning this matter, please do not hesitate to contact me.

Very truly yours,

/s/ Suzanne Hutchings
Suzanne Hutchings
